## 8. How to set staff fixed restday?

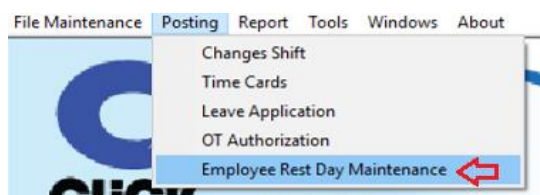

Go to Posting → Employee Rest Day Maintenance. Choose the staff name and then double click the square box in the calendar.

The 'Employee Profile - [Edit]' window contains the following sections:

- General Information:** Fields for Enroll No. (15), Employee No. (15), First name (Acap), Last name, Middle name, Address, Place of birth, Gender (Male), Birth Date (30/06/2022), Nationality, Telephone no, and NRIC.
- Company/Department/Position:** Company (Company 3), Department (FOOD & DRINK), Position, Date of hire (30/06/2022), Auto Shift, Shift 20, and Profile Type (Probationary).
- Restday:** A section with checkboxes for days of the week: Mon, Tue, Wed, Thu, Fri, Sat, and Sun. The 'Sun' checkbox is checked.
- Exemption:** Checkboxes for Lates, Under Time, OT, Skip Lunch, and Ignore Lunch and Lates.
- Holiday Group:** A dropdown menu set to 'Group 1'.
- Enforce:** Checkboxes for Lunch Lates and Lunch Absent.
- Status:** A dropdown menu.
- Date:** A date field set to 08/24/2004.
- Leave:** Fields for Annual Leave (0 day/s) and Medical Leave (0 day/s).
- Note:** A text area for additional notes.
- Buttons:** Save and New, Save and Close, Cancel, and an Active checkbox.

## 9. How to set schedule staff restday?

Go to Posting → Employee Rest Day Maintenance. Choose the staff name and then double click the square box in the calendar.

The 'Employee Day-Off Maintenance' window displays a list of employees on the left and a calendar for February 2023 on the right.

**Employee List:**

### 10. How to download data from machine?

Click on “Download” icon and choose your device type. Choose “NetworkDevice” and press “Open” or “Open Comm”. When all function is active, press “Log data Management” and choose “Read GlogData”.

### 11. How to download data from cloud?

Click on “Download” icon and choose “TMS Cloud 2”. Key in the password (normally is “1” ten times) and press “Download”.

## 12. How to run report?

Go to Report → Listing/Transaction. Select the options available and press “Preview”.

The screenshot shows the software's main menu with 'Report' selected. A sub-menu is open, showing 'Listing/Transaction' (highlighted with a red arrow) and 'Change Remarks'. Below this, the 'Reports' dialog box is displayed. It has a 'Select a type of Report' dropdown set to 'Monthly'. Under 'Available Report', 'DTR (Detailed)' is selected. 'Select Company' is set to 'Company 3'. 'Select Department' is set to 'All'. 'Select an Employee' is set to 'All'. The 'Pay-Period' is set from '01/02/2023' to '28/02/2023'. The 'Show Total' checkbox is checked. The 'DTR (Detailed)' preview window shows a table with columns: Date, Day, Morning, Afternoon, Overtime, LOW, OT, UT, LT, ND, Other, Status, Holiday. The 'Preview' button is visible.

## 13. How to print report and save report to PDF format?

After “Preview” report, press the printer icon on the top left and choose print to PDF.

The screenshot shows the 'Print' dialog box open over the 'Daily Time Record Form Format' window. In the 'Print' dialog, 'Microsoft Print to PDF' is selected as the printer (indicated by a red arrow). The 'Page Range' is set to 'All'. The 'Number of copies' is set to 1. The 'Print' button is visible. In the background, the 'Daily Time Record Form Format' window shows a table with columns: OT 3.0, Total, UT, LT, Status, Holidays, R. The 'Status' column has values like 'Absent', 'LHP', and 'RHP'. The 'Holidays' column has values like 'LHP' and 'RHP'. The 'R' column has values like 'RHP' and 'RHP'.
